"Clowning Around" This week's focus is musical buffoonery! Music is a language, and like all others it has its jokes, witticisms, and puns. For composers, clowning around with music takes the same skills as writing a great symphony. These fun, charming works show the genius of the composers who have written them.

8:00 Deutsche Welle Festival Concerts with Rick Fulker

"Anima 03" Conductor Jos van Immerseel loves his musicians; he tosses his bouquet to them after every concert. And their programs often include a surprise...

We laugh when we're happy—and sometimes even when we're not; and we cry for almost as many reasons as there are tears—for pride, grief, annoyance, and of course, love.
