OVERVIEW:

Over 7 nights from Venice, this route spans the Adriatic and Aegean Seas reaching Turkey and, finally, Athens.

The island of Korcula stretches barely 30 miles across and is swathed in pines, vineyards and villages, although you may remain captivated by the jumble of photogenic medieval streets within Korcula Town. Refreshed by a day at sea, Crete is your next visit. The island was home of the Minoans and the restored Knossos palace is quite extraordinary, though the markets, boutiques and tavernas of Heraklion are pleasing too. There is layer upon layer of history to discover in Rhodes Town; even so, the whitewashed village of Lindos may be your lasting memory of the island. And so to Ephesus, whose crumbling columns, ornate mosaics and marble flagstones are among the remarkably preserved details of ancient daily life here.

INCLUDES:

- Roundtrip airfare from Syracuse to Venice
- 2 night accommodation at the Bonvecchiati 4 star property in Venice (September 3 and 4th)

- 7 night cruise aboard the Queen Elizabeth in an interior stateroom*

SMOKING REGULATIONS: Please be aware and conscientious of all nonsmoking regulations on board all forms of transportation throughout your travels.

RESPONSIBILITY: AAA Western and Central New York acts as sales agents for the airlines, cruise ships, bus lines, hotels, car rental companies, and tour and charter operators who will actually provide the travel services you will enjoy on your vacation or business trip. The names of each of the companies agreeing to provide travel services to you are listed in your individual itinerary, travel vouchers, and tickets. Because we act only as sales agents for these companies and maintain no control over their personnel or operations, only they can be responsible should any aspect of their travel arrangements not be to your satisfaction. TOUR MEMBERSHIP/PHYSICAL DISABILITIES: Group travel requires a unique blend of adventuresome spirit, physical and mental alertness, and a capacity for accepting situations as they exist – and not necessarily as we would find them at home. If you have health concerns, we suggest you contact your physician to determine the suitability of one of our tours. We regret that we are unable to accommodate all requests for special diets, itinerary variations, wheelchairs, or for individuals who require special assistance. To enjoy your tour to the fullest, you should be in good physical and mental health. Any physical disabilities must be reported to AAA at the time of your reservation.
