Kristen was walking her dog Clue when all of sudden Mr. Bixby's Jewelers alarm went off! Two black figures stood on the top of the building and POOF! They were gone.

She went into the store and talked to Mr. Bixby. "My entire collection of jewels is gone! The phone wire is cut so I can't call the police." said Mr. Bixby. "Don't worry, I can help you! Can I take a look?" asked Kirstin. "Sure, don't bother locking up. Everything is gone, there is nothing to steal." Mr. Bixby replied. "Come on, let's check things out!" Kirsten said with pride.

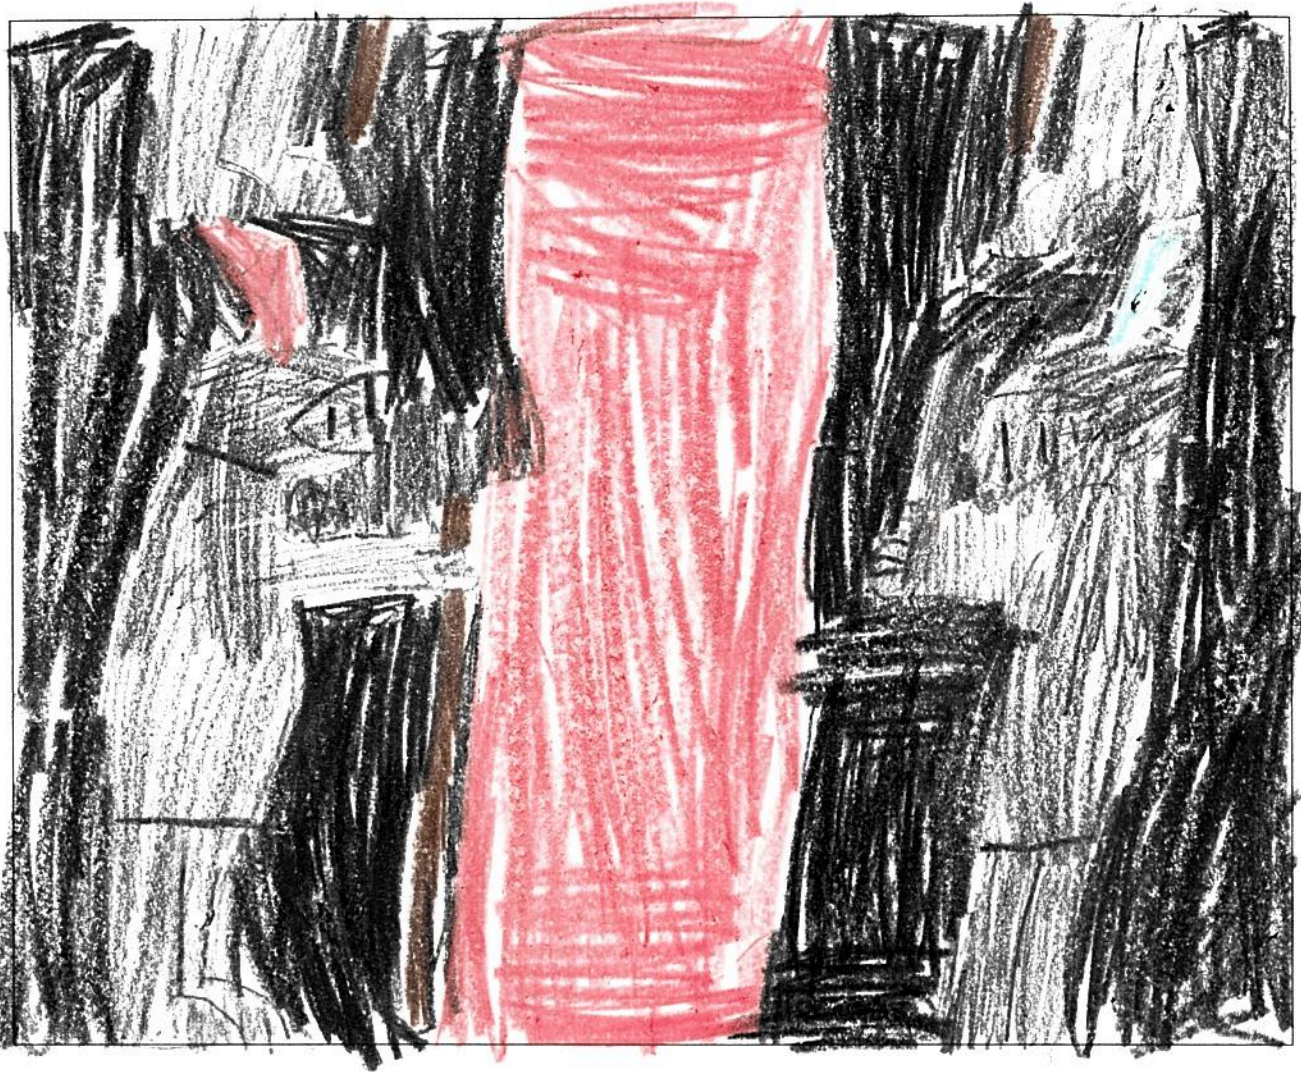

Kirsten took out her magnifying glass and looked around. Then Clue barked and sniffed footprints! "Good job Clue! We found footprints!" Kirsten complimented Clue. The footprints lead to a trapdoor in the roof.

She took the back door out back. Clue started sniffing. He led Kirsten to a trail of jewels. "Good work, let's go!" Kirsten said. She followed the trail of jewels to Creaky Castle. It hadn't been used since 1932.

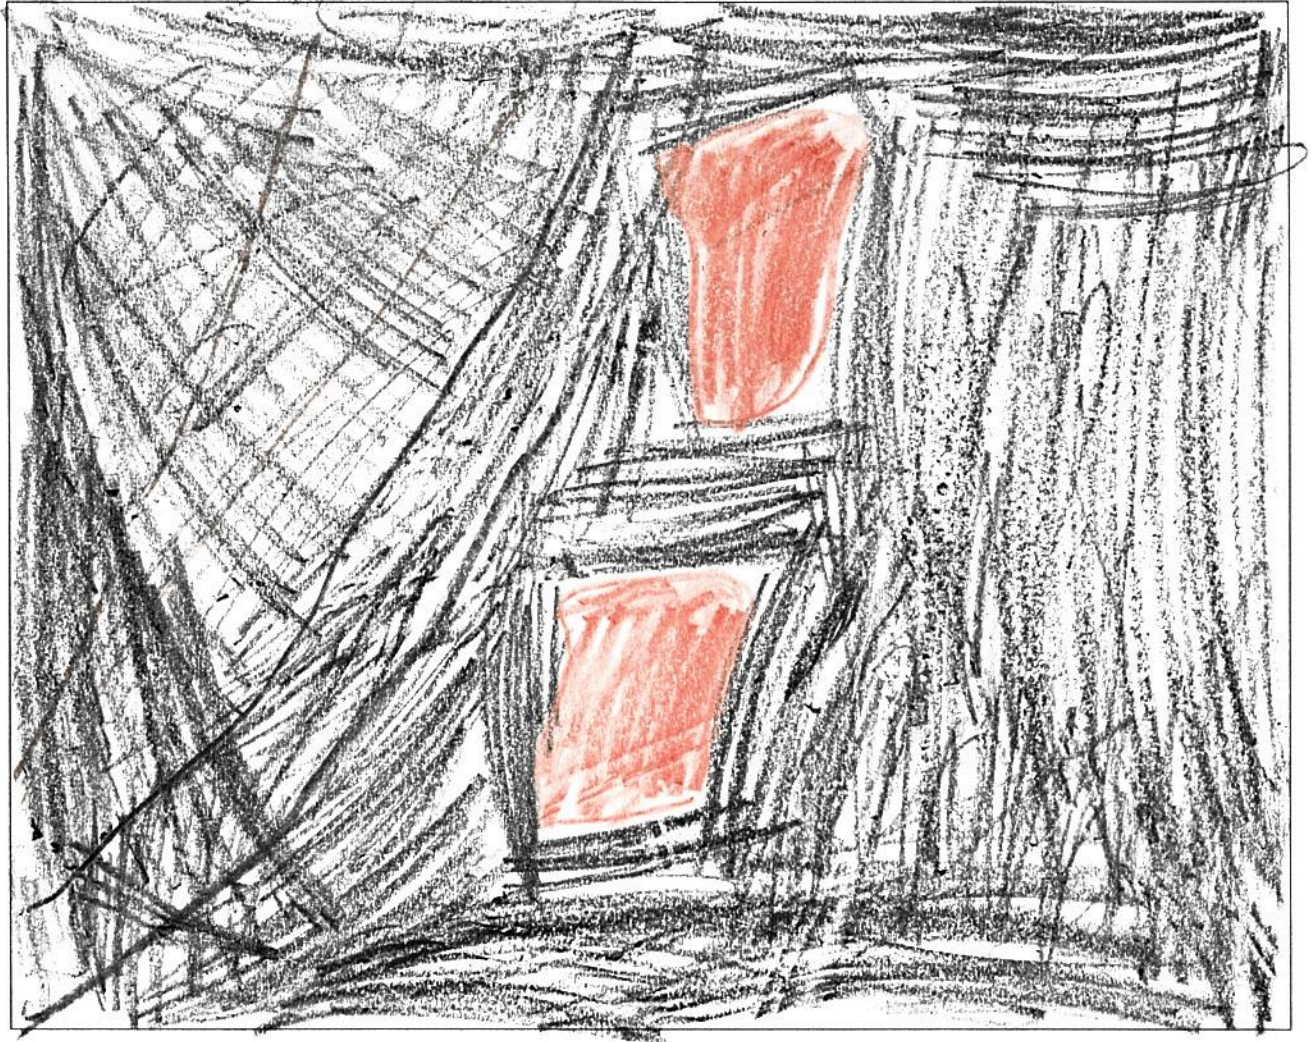

They walked across the draw bridge slowly and opened the doors. The doors made a loud CREEK!!! They went in and the doors shut behind them. Clue began to whimper.

They saw a big hall of knights of armor. They walked a few of steps when.... Bang!

A knight's weapon fell. Kirsten and Clue ran because all the knights' weapons were falling!

They went into a room and saw the bad guys.

“Clue, go lead the bad guys over here!” Kirsten said to Clue.

Kirsten put down a trip wire and two large vases after it. Clue came running with the thieves after him. Clue jumped over the trip wire and the thieves tripped and tumbled into the vases.

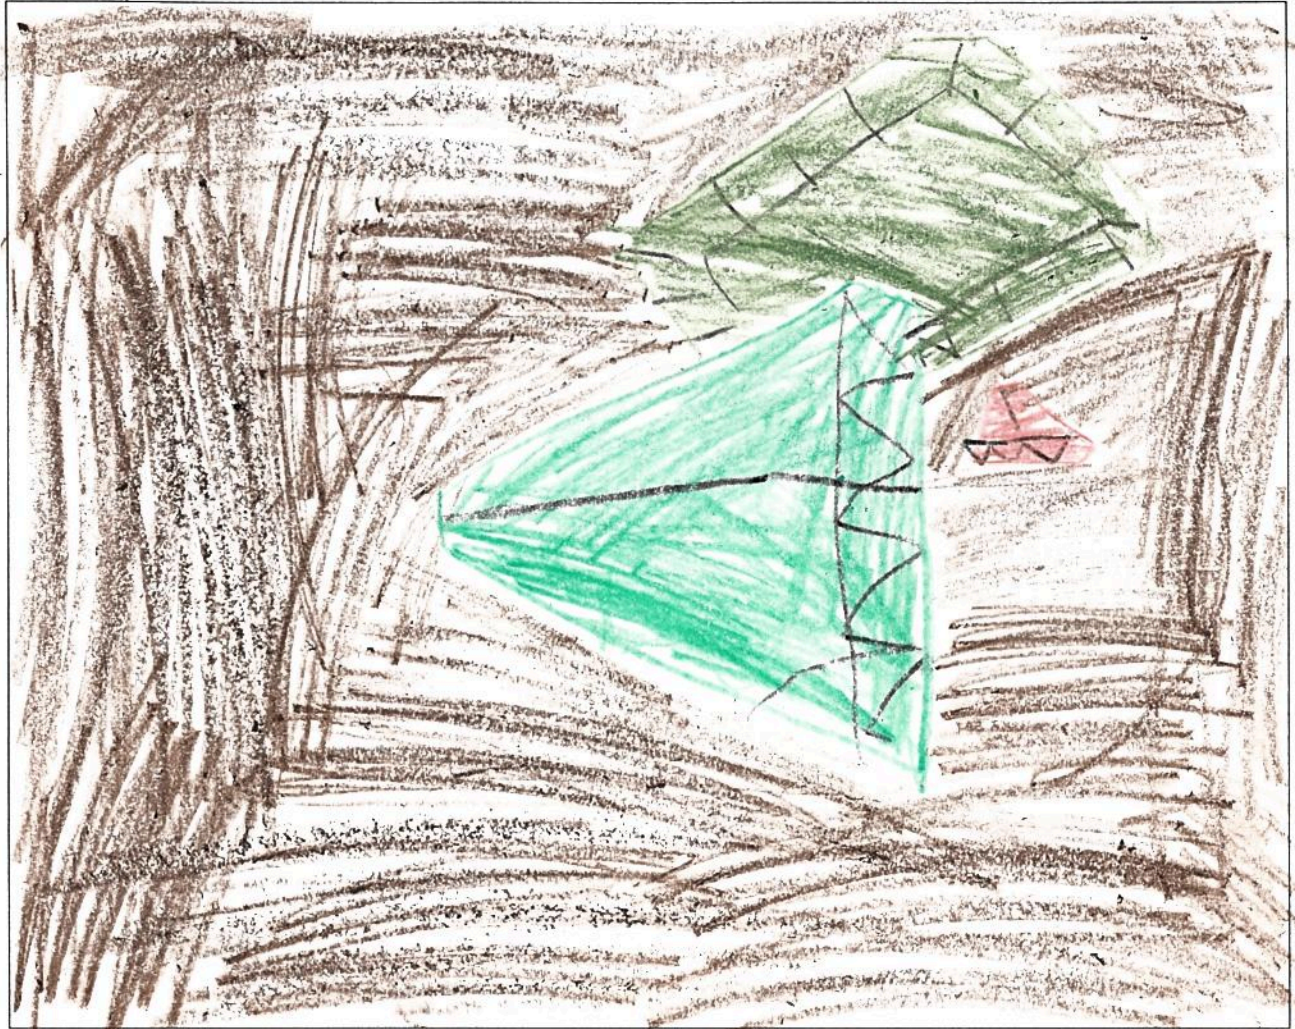

Kirsten asked furiously, "Where are the jewels?"

One bad guys said, "We hid them in the cellar." He had a low voice.

The other bad guy said, "You knucklehead! You weren't supposed to tell her!"

"Sorry." He said.

Kirsten and Clue went down the creaky stairs. They looked around. There were old paintings and artifacts. Kirsten looked in a coffin and saw the jewels!

Kirsten handed the criminals over to the police and returned everything to Mr. Bixby. Everythign was back to normal!

THE END!
