## MEMBER SPOTLIGHT

**John Ylitalo with his mother, Maria Ylitalo | WCNY members**

“

I love educational programming because I like to learn things and WCNY makes that possible. My dream is to become a Muppet Performer like Jim Henson. The characters on PBS have inspired me to draw and sketch my favorite PBS characters.

“

WCNY and WiCkNeY KIDS were great for our kids, they all watched it. The programming is not only entertaining, but it's very educational. It's a great service to the community.
