## MEMBER SPOTLIGHT

**Bill Little** | WCNY member and ReadOut radio volunteer

“ I’ve always been fascinated by WCNY’s services including television and radio. I volunteer in many ways, one being a volunteer reader on WCNY’s ReadOut radio reading service for the blind and print handicapped. I can’t imagine life without reading, and volunteering for ReadOut is another way I can support the important programs and services WCNY offers the entire region. -Bill Little ”
