

## How to Join the Virtual Event

### 1. The easiest way to join the event

- Please reference your Event Brite confirmation email, where you will find links to the virtual watch party on Zoom for each program.
- This link will open the zoom.us website. You do not need to log in or have an account.
- The website will prompt you to join the meeting by opening the phone app or computer client. Or you can join Zoom on your internet browser.
- You may be prompted to enter a “display name.” This is the name other participants will see displayed.
- Please allow Zoom to access your microphone and camera when prompted.
- Congratulations! You’re Zooming.

### 2. If you want to create a Zoom account

- If you would like to create an account, download the Zoom app on your cell phone or download the Client software to your computer.
- **For an iPhone or iPad**, download the official Zoom app from the Apple Store.
- **For Android**, download the Zoom app from Google Play.
- **For Mac and Windows computers**, go to <https://zoom.us/download>
  - Select “Download Zoom Client for Meetings.”
  - Follow the on-screen prompts to install.

### 3. If you already have an account

- You can also log in and join the event with your account if you already have one.
- **On a phone**: Open the app, sign in, and click the webinar link.
- **On a computer**:
  - Go to the zoom.us website, log in, and then click the webinar link, which will automatically open the Zoom Client to join the event.
  - Or log in, click the link, and join the webinar on your internet browser.
